Required Documentation

In order for travel pay to be processed, the listed documentation below <u>must</u> be accounted for and filled out properly.

- 1. Travel Voucher (DD Form 1351 2)
- 2. All orders and/or amendments pertaining to travel of the soldier prior to death
- 3. Manifest of Orders
- 4. Report of Casualty (DD Form 1300) or certificate of death
- 5. Record of Emergency Data (DD Form 93)
- 6. Direct Deposit Form for beneficiary (SF-1199)

Important Notes about DD Form 1351-2

1) The entire document (1351-2) should be filled out based on the information of the soldier that was KIA. This should include the name, most updated address, phone number, etc. of the deceased soldier. There should be no information pertaining to the beneficiary on DD Form 1351-2.

2) Block 15: Itinerary

- If the deceased soldier's unit is still deployed, then the dates for the itinerary should come from the Travel Orders
- The final date on the itinerary should be the date of casualty of the Soldier. This date can be found on Block 4d of DD Form 1300 or on the death certificate.
- The final reason for stop in field 15d should be MC for "Mission Complete."
- The final ARR/DEP is the location of death of the soldier. A (KIA) should be put in before the Location.
- 3) There must be two signatures on the Travel voucher in order for it to be processed. There should be a signature by the beneficiary in block 20a and a signature by the CAO in block 20c. The CAO <u>cannot</u> sign for the beneficiary in block 20a.

4) Travel Orders

- If the soldier was active then there should be one order.
- If the soldier is reservist then there should be at least two different orders. One order should be from their home to a base for training or premobilization. The other order should designate their deployment.
- If in need of travel orders, the CAO can contact the unit administrator at the home station of the deceased soldier.
- It is the CAO's responsibility to make sure that the travel orders are included in the travel packet.
- 5) The beneficiary needs to indicate whether or not they want direct deposit of the reimbursement money. Sometimes soldiers have different bank accounts than the beneficiary. It is important for the CAO to verify that the correct beneficiary address or bank account is provided.

Frequently Asked Questions

1. Whose information should be placed on the 1351-2?

All of the information on the travel voucher should pertain to the deceased soldier. None of the beneficiary's information goes on the 1351-2. The beneficiary only signs the 1351-2 in block 20.a.

2. Can the beneficiary receive the payment by EFT?

Yes, the beneficiary can receive the payment through EFT. They have to fill out the SF-1199 (unless the account is the same as the KIA soldier) and the CAO must submit it along with all of the other required documentation in the travel packet. It is important that the CAO verifies that the bank account and routing numbers are correct for the beneficiary.

3. What documents need to be included with the 1351-2 when submitting the KIA voucher for payment?

The following documentation must be included to authorize payment:

- 1. Travel Voucher (DD Form 1351-2)

- 3. Manifest of Orders
- 4. Report of Casualty (DD Form 1300) or certificate of death

INSTRUCTIONS

ITEM 1 - PAYMENT

Member must be on electronic funds (EFT) to participate in split disbursement. Split disbursement is a payment method by which you may elect to pay your official travel card bill and forward the remaining settlement dollars to your predesignated account. For example, \$250.00 in the "Amount to Government Travel Charge Card" block means that \$250,00 of your travel settlement will be electronically sent to the charge card company. Any dollars remaining on this settlement will automatically be sent to your predesignated account. Should you elect to send more dollars than you are entitled, "all" of the settlement will be forwarded to the charge card company. Notification: you will receive your regular monthly billing statement from the Government Travel Charge Card contractor; it will state: paid by Government, \$250.00, 0 due. If you forwarded less dollars than you owe, the statement will read as: paid by Government, \$250.00, \$15.00 now due. Payment by check is made to travelers only when EFT payment is not directed.
